Local Holiday Gift Guide

Trees, maple syrup, and honey from Hudson Valley farms.

Holiday 2026

Before you shop

A gift from a local farm is easy to pick up in person and easy to give. Syrup, honey, and a fresh-cut tree all come from within a short drive. I pulled the places in the Hudson Valley Almanac that sell them and organized them by county, so you can find one near you or near the person you're shopping for.

HONEY & BEE FARMS

Please read this part. Tree farms and small producers often set their holiday hours late, and some sell out. This guide is a snapshot of the Almanac as of October 11, 2026. **Check the website or call before you go.** Not every producer ships, so ask if you're sending a gift.

Ideas that travel well

- **Maple syrup.** Pick a grade you'd use yourself, and ask the sugarhouse how they pack it for shipping.
- **Honey.** Raw, creamed, or infused honey keeps for a long time. Many producers sell in small sizes and gift sets.
- **A tree or wreath.** Many farms sell wreaths and greens along with trees. Ask whether they sell cut trees, choose-and-cut, or both.
- **A farm-store basket.** Ask a farm store to put one together from what they have in stock. Preserves, baked goods, and eggs are all possible.

Shop early

Small producers make a limited amount. If you want a specific syrup grade, a honey gift set, or a wreath, ask in early November. For gifts you plan to ship, ask about their last shipping date.

This is a sample

For more local gift ideas, see the Almanac's maps and saved lists, and the other free guides under Guides & Books.
